

SANDWICH BOARD

Build your brand with one of Impact's A-Frame sandwich boards, great for indoor or outdoor use! Sandwich board frames are made from a durable thick plastic. The sign inserts are printed on vinyl with a coroplast backing. They slide easily into the a-frame through fitted channels on each side. Easily change and swap out your designs! Draw more customer's in with Impact's Sandwich board where you can advertise your sales and specials and increase foot traffic to your business
