

WEIGHT BAGS

Stabilize any Instant Canopy, Pop Up Shelter or Folding Tent structure with a set of durable Impact Canopy Universal Weight Bags. Weight Bags are essential to have on hand for all exterior Impact Instant Canopies, Pop up Shelters or Folding Tents. Impact Instant Canopy Universal Weight bags can be filled with sand, rocks, snow or any available material nearby. Specially designed Velcro straps will ensure that the Weight Bags stay securely attached to your Instant Canopy or Pop Up Shelter legs or upper trusses. Just fill, close the flap and attach to your canopy for a secure stable set up.
